Dulcop porta la sua esperienza di oltre 60 anni anche nel mondo degli amici a quattro zampe, con una linea innovativa pensata per il gioco condiviso tra persone e animali. Nasce così Bubble World Pets, le bolle di sapone create per stimolare la curiosità, l'interazione e la gioia dei nostri compagni pelosi.

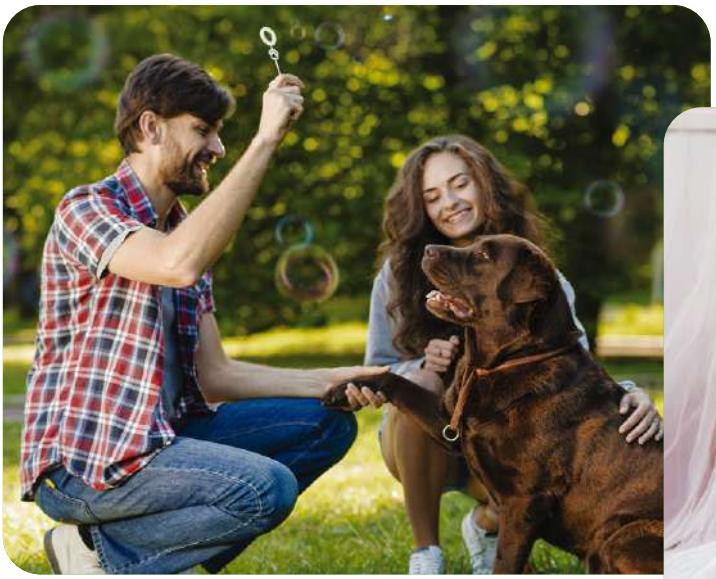

Con profumazioni uniche e sicure - per i cani e per i gatti – trasformiamo ogni momento in un'esperienza multisensoriale, leggera e coinvolgente.

Come ogni prodotto Dulcop, anche Bubble World Pets si fonda su una filiera certificata e controllata, con la massima attenzione alla sicurezza, alla sostenibilità e alla qualità. È il nostro modo di coniugare gioco, innovazione e responsabilità, aprendo nuovi mondi di felicità condivisa. Perché la nostra visione non cambia: creare emozioni attraverso le bolle, oggi anche con chi ci accompagna ogni giorno con uno sguardo, una carezza e una coda che scodinzola.

Dulcop brings over 60 years of expertise to the world of our four-legged friends with an innovative line designed to share happy moments with them. This is the idea behind Bubble World Pets – soap bubbles created to spark curiosity, interaction, and joy for our furry companions.

With unique and safe scents – for dogs and for cats – every moment becomes a light, engaging, and multisensory experience.

Like all Dulcop products, Bubble World Pets lies on a certified and controlled supply chain, complying with the highest standards of safety, sustainability, and quality. It's our way of combining play, innovation, and responsibility, opening new worlds of shared happiness. Our vision remains the same: creating emotions through bubbles, now also with those who greet us every day with a look, a touch, and a wagging tail.

Bubble World: una bolla, un sorriso
Bubble World: one bubble, one smile

Crediamo che una bolla di sapone sia uno strumento potente, in grado di regalare un sorriso a chi ne ha più bisogno. Una magia adatta a tutti e per tutte le età.
Ogni anno sosteniamo associazioni e scuole attraverso la donazione delle nostre bolle di sapone e collaboriamo con numerose realtà impegnate nel sociale e nel sostegno pediatrico attraverso attività e raccolte fondi finalizzate all'acquisto di materiali e attrezzature medico-scientifiche.

We believe that soap bubbles are powerful tools, capable of bringing a smile to those who need it the most. They are magic, suitable for everyone and for all ages. Every year, we support associations and schools through donations of our soap bubbles and we collaborate with numerous charities engaged in social and pediatric support aimed at purchasing materials and medical-scientific equipment.
