

Play anytime, anywhere

No residues

For the first time ever, playing with bubbles is possible even indoors.

A revolutionary formula that changes the rules of the game:

- ✓ It doesn't wet surfaces.
- ✓ It leaves no residue.
- ✓ Safe and tested, as always.

**No worries,
no limits,
no seasons.**

365 days of play

Traditionally, soap bubbles are seen as an outdoor, summertime toy.

Bubble World Indoor is more than a product - it's a whole new play experience!

- With the Dry Effect formula, bubbles become a all-year-round play.
- Perfect for indoor use – at home, in schools, at events, and in retail spaces.
- A world of new opportunities for the educational and gift channels.

The result? Continuous shelf rotation and an expanded consumer target.

Benefits for retailers and distributors

- Extended seasonality: year-round sales opportunities.
- New in-store placement options – beyond the outdoor section.
- Higher perceived value thanks to product innovation.
- Increased shelf rotation and a broader consumer base.
- Customizable on request with themed collections and licensed lines.

Innovation made tangible

The 60 ml Indoor Bubble and the new Magic Bubble Bucket – No Spill represent the next generation of bubble play.

Design and formula come together to create a complete system: practical, safe, clean, and perfect for any environment.

60 ml Indoor

- “Dry Effect” bubbles in a classic shelf-ready format.
- Ideal for seasonal corners, gift sets, educational kits, and promotions.
- Compatible with Indoor refills in 0.5 L and 1 L formats (3 L and 5 L available upon request).

Magic Bubble Bucket – No Spill

- Anti-spill bucket with a 75 ml tank and two 60 ml refills included.
- Provides hours of continuous play — with no leaks and no waste.
- Always ready to play.

Indoor line

Bubble World Indoor goes beyond the formula. In 2026 the Indoor Line will be integrated with the new products to multiply sales opportunities and strengthen in-store presence.

- Gift Pack Indoor Collection – Kits in gift packaging.
- Seasonal Edition – Themed collections for Christmas, Easter, and Back to School.
- Educational Line – Projects for schools and creative workshops.
- Refill Family Pack – Refills for sustainable play.
- Display Evolution – Modular displays for dedicated indoor corners and spaces.

Quality and Certifications

For us, quality is a promise kept every day. From the safety of the people who work with us to the traceability of our production processes, every step is guided by care and control. The national and international certifications we renew every year are proof of our real, constant, and transparent commitment to it.
